## Rauceby Village Fete & Picnic 2007

- Editor

**Hasn't this year just flown past and once again we are looking forward to another Rauceby Village Fete and Picnic. Last year as I am sure you all know was a huge success and attracted in the region of 600 people throughout the day.**

This year will hopefully prove to be even more spectacular. Could all the village clubs and organisations give some thought as to what they want to do in the way of a pitch. This year the pitches for all clubs and organisations are free and what ever you make on the day is yours. The events proceeds will this year be split between a charity of Mrs Hoare's choice and the Rauceby Events Fund, to insure that the fete goes from strength to strength, and I don't have to struggle to find the funding every year. No really I'm not bitter!

We are looking for business sponsorship this year as our estimated costs are in the region of £3000. We have managed to secure five sponsors so far, Scania of Boston & Mountain & son who have both offered £250, David Wilson Homes, £500, Turnbolls, the materials for the stage and Chandlers Oil & Gas £100. As you can imagine we have some what of a way to go before hitting target, but I will be madly rushing around like a headless chicken until we do.

There will be a village raffle at some point during June and I will come and visit you all with a book of

raffle tickets and hope that you will be digging deep! The raffle prize will be a hamper of sumptuous local village produce and a few bottles of something nice to accompany them. Any one who wants to, can get in touch to purchase tickets and save my poor feet.

We are in need of helpers on the day to man stands and to act as stewards. Please make yourselves known.

The day will be in two parts. Firstly from 12pm to 5pm and will consist of craft stalls, club, society and charity pitches which will hopefully put on traditional games and teas, a bar, a DJ, Vintage & Classic cars, Classic Bikes, Terrier Racing supported by the Belvoir Hunt, a Raffle, Air Rifle Shooting Gallery & Competition sponsored by Slingsby's, Tug of war and a visit from the Air Ambulance.

From 5pm until 9pm there will be live music from a jazz band (still to be confirmed), Sandfly (funk folk), Andy Taylor & Geff Daley (Experimental Rock) and The Panheads from Lincoln (Rock Anthems). So hopefully something for all.

A little later in the year we are hoping to compile a village cookbook. I would urge all to send me their favourite recipes so they can be included to 82 Main Street, South Rauceby NG34 8QQ. The book will be sold to raise funds for the Rauceby Parish News.

**Finally would all those wanting assist in some way please get in touch as soon as possible, and would the Vicar please have a word with him upstairs to ensure the weather is wonderful.**

## Rauceby School Achieves Healthy Status.

Rauceby Primary School has achieved Healthy School Status. It has worked very hard so the pupils can learn in a healthier environment. The drive towards a healthier lifestyle has been a natural progression for all concerned, as the school have a proud tradition of sports teams and a strong emphasis on physical activity.

It has been pupil led initiatives that have made Rauceby School a healthier place. A major part of this new ethos has been driven by the school council. It decided what the school could do to encourage healthier life styles and set about making the changes with the support of teachers, parents and governors.

These changes instigated by the pupils have been as simple as getting water bottles into each class, through to creating a healthy fruit and veg 'Fruity Friday Snack Shack' and making the playground into a healthy snack zone.

The pupils have learned that it is not only their bodies that need to be looked after, but also the environment as well. The pupils have enjoyed planting trees and bird feeders and using the outdoors more as a learning tool.

Parents and governors have really taken on the healthy school initiative and have set up healthy cookery clubs and regularly posted healthy pack lunch suggestions onto the weekly newsletter. The chair of governors has become our 'Healthy Schools Governor' and has attended school council meetings to oversee the progress.

Everyone at Rauceby Primary is pushing to maintain and improve further their healthy lifestyle. Their next step is to set up a walking bus scheme and create more shaded areas for the pupils to sit outside ( all under the strict guidance of the school council of course!).

The netball team won the Sleaford and district netball league for the third year in succession and came a very close runner up in the Sleaford and district netball tournament. The year 1 and 2 multi skills team came second in their multi skills tournament held at Carres.

## Letters to The Editor

*Editor* - Would you please mention Our 2007 MS Day at 40 Southgate Spinneys on Monday October the 8th - everyone will be most welcome between 10am and 10pm.

I wish to thank those people who donate their used ink jet cartridges and drop them through my letter box at home or put them in the box at the village hall. I am still collecting them and am just about to send a filled box for MS funds. Unfortunately they are unable to except Epson cartridges.

Many thanks - I do think our Village News is a very professional village communication system. Well done Jonathan - long may you feel able to keep it circulating. I don't suppose you get many thanks but plenty of criticisms!

**Mrs Barbara Roberts. South Rauceby**

*Editor* - Please could a request be put in the Rauceby News that dog walkers and horse riders pick up after their animals, from the pavement and grass verges, along the street from North to South Rauceby. Thank you.

**Margaret Youtz. North Rauceby**

## Have a Rummage Through Your Drawers!

There are plans ahead to compile a comprehensive book on Rauceby's past and present, which will contain photographs, social history and anecdotes.

Charles Raphael of South Rauceby will be compiling the book and urges you to have a rummage through your drawers and photo albums and get them to him post haste.

The last book on Rauceby was published in 1969. 'Stability and Change' was edited Alan Rogers at the adult education department of Nottingham University. It is packed with useful facts and figures, but is not a book for bedtime reading. Academics do a fine job, but when it comes to writing a book that doesn't send you to sleep after the first paragraph they haven't yet cornered the market!

So why not be part of this enviable task of recording Rauceby's fascinating social history and loan your photos to Charles for publication. Charles can be reached on 488241. Go on get rummaging!

# News From The Parish Council

Niki Orley - Parish Council Clerk

In April the Parish Council together with the local police and two representatives from Trading Standards hosted an afternoon meeting about Door Step Crime. It was very disappointing that nobody attended the meeting.

In May the Parish Council hosted the Parish Open Meeting. In attendance were all the Parish Councillors, 15 members of the public, retired District Councillor Euan Robertson and the new District Councillor Susan Waring and Vivienne Chambers from the Lincs and Notts Air Ambulance Service. Her talk was very interesting and informative. The Parish Council plans to make a suitable donation to the charity. They receive no government funding for the invaluable service they provide. Euan Robertson has retired after 47 years of public service.

David Glendinning has retired from Rauceby Parish Council after 20 years voluntary service. This leaves a vacancy on the Parish Council. If you think you could fill this role please apply in writing to the Clerk: - Mrs Niki Orley at 'Benchmark', 78 Main Street, South Rauceby. NG34 8QQ. Applications must be received by 15th June.

**Highways Reports** After many years of discussion the highways department have finally agreed to put in kerbs along Thorpe Drove, South Rauceby in the hope that this will help to maintain the verges. Work will begin sometime between 2nd July and 24th September 2007 depending on current work issues and the weather.

The repairs to the edge of Rauceby Drove are very pleasing. This work is to be carried on further towards the village as far as Southgate Spinneys. The refreshing of the white lines in North Rauceby is a welcome improvement.

The road that is Chapel Lane, North Rauceby is to be overlaid in the near future.

Thanks went out to villagers who do various voluntary jobs around the village.

The parking outside the Village Hall was talked about because it causes problems from time to time. It would be very helpful if persons using the hall .

could refrain from parking in the lay-by outside. This should just be used for loading un-loading. Also if everyone attending the hall could park on the same side of the road.

It has been noticed that many people are still driving whilst using their mobile phones. This is not only an offence, it is dangerous. Please don't do it.

The Parish Council accounts have been approved and are ready to be sent to the auditors. If you wish to inspect these contact the clerk, Tel 488369 to make an appointment.

Following the Annual Meeting of Rauceby Parish Council Simon Frere-Cook agreed to stay on as Chairman and Ian Graham as Vice-Chairman for another twelve months.

Fire Engines from the Sleaford Fire Brigade

## Sleaford Fire Brigade Visits Hall

On 23rd April two fire engines and two other fire vehicles with eighteen fire crew from the Sleaford Fire Brigade paid a visit to Rauceby Hall. Fortunately it was not in response to an emergency, but to carry out a fire risk assessment.

Sleaford Fire Station are offering homeowners the opportunity for a fire officer to visit their premises at a pre arranged and mutually convenient time.

The officer will carry out a fire risk assessment of the property and give advice on electrical safety, fire precautions, escape plans in the event of a fire and general fire safety advice. They are also offering to inspect fire alarms and if necessary provide and fit free of charge new smoke detectors to the property.

If you would like to take up this opportunity, which the Fire Brigade strongly advises then you should contact Grantham Fire Station on 01476 565441 during office hours, and they will assign a local firefighter to the address to contact you.

Fire crew and Mrs Hoare from the Sleaford Fire Brigade on a visit to Rauceby Hall

## Jamie and Liz Get Hitched

On the 31st March 2007 Elizabeth Draycott was married to Jamie Bevis at St Peters Church in North Rauceby. The couple were childhood sweethearts and met on Rauceby Railway Station. It was also the Baptism of their eight month old daughter Alvi Maiken.

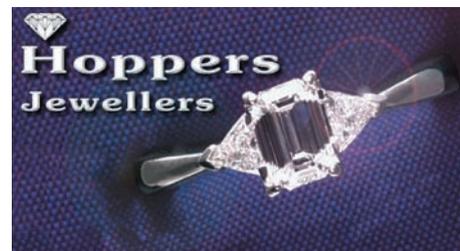

Jamie and Elizabeth Bevis at St Peter's Church with bridesmaids Marianne Domeisen, Lynsey Hutsby, Jessica Hutsby and Katie Hutsby

The bride wore a Swarovski Crystal sweetheart neckline dress with beads and crystals and carried a bouquet of 25 cream roses. The bridesmaids were dressed in gold organza dresses. The bride was given away by Jamie's father of Southgate Spinneys.

The service was taken by The Reverend Christine Dolby. They left for the reception at the George in Leadenham in a 1951 Riley RMA. They honeymooned in Orlando, Florida and have now returned to their home in Holdingham. May we wish them all the very best for their future together.

## RAUCEBY SHORT MAT BOWLS CLUB

### Bowl News

Ralph Mundy - 01529 488213

Congratulations to the village short match club who have returned to their winning ways in the local league. They were successful this year when, needing only one point from their last match at Ruskington, they managed a resounding 8 points to two victory.

If you would like to join them, the club meets Wednesday afternoons at 2.00pm and Friday evenings at 7.30pm. Every one is made welcome.

### Yoga Club - Fridays: 1.15pm-2.45pm

Margaret Sanderson - 01529 421277  
margaret@lennoxlove.fsbusiness.co.uk

**Yoga is an ancient practice designed to combine movement, breathing and concentration. Yoga postures strengthen and energise the body while maintaining fitness, suppleness and muscle tone.**

All of the movements can be modified to accommodate each individual's needs. Yoga also has a powerful effect on releasing tension in the body and calming the mind which in turn reduces stress.

The class held at Rauceby Village Hall on Fridays has been running for a number of years and if you would like to come along and see if Yoga is for you then give me a ring or enrol through Stella Bellamy.

### Village Hall News

Ralph Mundy - 01529 488213

I was sad to read the news of the death of Don Meikle in April. Don was my immediate predecessor as hall chairman and during his short time in the post ensured that affairs of the hall were kept in good order and prepared the ground for the Millennium project in which he played a major part. The hall committee extend their deepest sympathy to his family and friends.

The hall remains open for children's parties, anniversaries, birthdays, classes and many activities. Booking and any other information can be obtained by ringing Niki Orley on 488369.

www.neighbourhoodwatch.uk.com

Neighbourhood Watch Column - Derek Simpson  
Not much to report this time. Unfortunately the Sleaford NHW spring meeting was cancelled due to illness. So it is like the TV at this time of year, repeat, repeat, repeat of things to be aware of.

With holidays taking place and having taken the usual precautions of cancelling the papers, milk, etc and also asking a good neighbour to take in your mail, there is few other things to think about.

Firstly weekly papers and leaflets. Delivery of these can not always be controlled by the householder, but it might be a good idea to ask any people who might deliver these things regularly to ensure they are pushed right through the letter box. If you are someone who does deliver such things it might be worth giving it some thought as with the light evenings, anyone can see quite clearly up driveways. Anything hanging out of the letterbox at the latter part of the day is dead giveaway that no one is in.

Finally dustbins can also arise the interest of the less scrupulous individual. It has arisen on many occasions, where people have gone away on the day of the collection and not returned until the following day, only to find they have been broken in to. The police point out that with the bins still left out late in the day, it is also a sign of no one at home and an open invitation. So if possible ask your neighbour to bring your bin in for you.

Please also be aware that there was a serious incident on Tom Lane on 10th May at 3.00pm. A parent came into school and reported a case of indecent exposure.

There are few details, only that it was a man in his thirties driving a white P reg van. A letter was immediately sent by Mr Verity to all of the parents of the school informing them of the incident. The police were also called promptly and they are investigating the issue further. Please be vigilant as we can not allow things like this to go on in our pleasant and tranquil community.

For more information on joining any of the villages societies or clubs please go to page 14 for a list of contact details

## Rauceby Women's Institute

### WI News

Margaret Mundy - President

WI members meet at Rauceby Village Hall on the first Thursday of each month at 7.15pm. New ladies are always given a warm welcome. For further details please contact either Margaret Mundy on 488213 or Barbara Roberts on 488488. For a full list of the upcoming events please see the events diary on page 13.

Adults £2

To be held at Rauceby Village Hall.  
7.15-9.15pm

We look forward to meeting you.

For More details contact Margaret Mundy on 488213

### Gardening Club News

Hazel Hunt - Club Secretary

On Tuesday 18th April, a group of twenty-nine members and friends set off in their own cars to enjoy a fascinating visit to the excellent nursery of Robert Potterton near Caistor. We were greeted with welcome refreshments on arrival and then Robert gave us a very comprehensive tour around the Nursery. We heard all about the life of a nursery man as well as receiving some very useful advice on propagation. In fact we enjoyed it so much that we had to extend our visit to give us plenty of time to browse amongst the sales benches and purchase some very high quality plants for our own gardens.

After a light lunch at Doddington Hall, Lincoln, we took a walk in the gardens, enjoying a glorious spring day with the blossom trees at their very best.

There are many features in these romantic gardens including a lawned courtyard, croquet lawn, walled garden areas and pleached horn beams to mention just a few. Most captivating to most of us were three very ancient sweet chestnut trees still in their stark, gnarled winter garb.

This year's Coffee Morning and Plant Sale on Saturday, 22nd April, was again a great success. We would like to say a big thank you to everyone who lent a helping hand and for all the support we received on the day. The details may be viewed on our notice board in the Village Hall, but we received an excellent boost to club funds of almost four hundred pounds. Thank you again and well done everyone.

The Club's last meeting of the 2006/2007 year took place on 24th April when Michael Myers visited us to give his illustrated talk entitled "Green with Envy". He explained how it was possible to build up an attractive garden based on greenery with its differing forms and contrasting shades. His commanding horticultural knowledge and clarity certainly captured members' interest and attention.

We are now looking forward to our coach outing on Wednesday, 27th June. We are going to the RHS Garden Harlow Carr in Harrogate and then on to Ripon to view a wonderful private garden in the making at Littlethorpe Manor. All our seats are now booked - sorry if you were disappointed.

Our next meeting will be on Tuesday, 18th September at 7.30pm in the Village Hall.

Kevin Pratt will be coming from Stockport to give us a comprehensive talk entitled, "Fritillarias and Poppies". Kevin has been a speaker for over twenty years and holds the National Collection of Fritillaria. He is a freelance writer and garden designer as well as a lifetime plants man.

Following this, on Tuesday, 23rd October at 7.30pm in the Village Hall, Joe L. Sharman of Cottenham, Cambridgeshire will talk on "Variegation".

Now a further plea for some new members. We do need you for 2007/2008 year. Please try us out - we reckon that you'll enjoy our company and we'll certainly enjoy yours and make you welcome.

Last but not least, if you have any surplus medium to large garden pots, particularly tall/deep ones, Eddie and Beryl Herbert would be very pleased to receive them.

# Village Halls Can Thank Daytime TV

## RuralClick

**Village halls and rural communities can now benefit from a new scheme to buy cheaper heating oil and raise funds set up by two rural entrepreneurs.**

When Simon Bland of [www.ruralclick.com](http://www.ruralclick.com) saw Paul Ward of [www.BoilerJuice.com](http://www.BoilerJuice.com) on the BBC 'working lunch' programme, they discovered they lived less than 10 miles apart and they shared a passion for rural community life.

RuralClick.com has been developed to give support to village halls, with special deals negotiated for tables and chairs, insurance etc. Over the last year the increases in heating oil prices had severely hit rural halls, who had in turn had to raise rental charges to playgroups, mums and tots and lunch clubs etc. In fact all the key community uses of village halls were being affected.

BoilerJuice.com is the leading internet heating Oil broker in the UK, and helps co-ordinate orders to achieve a lower price for households and businesses.

"I approached Paul and immediately he saw the potential for halls to become the hub for village bulk buying of oil" said Simon.

"We put together a deal that sees halls, both able to raise funds directly to support their activities, and help achieve a lower price for everyone who takes part, it's a real win/win and great to be doing something locally for Lincolnshire" said Paul.

The scheme also has the benefit of making a positive contribution to reducing a community's carbon footprint by minimising the number of tanker trips to a village.

The scheme is officially launched on the 4th May, and can be found at [www.boilerjuice.com](http://www.boilerjuice.com), under a new community section or by visiting [www.villagehalloffers.co.uk](http://www.villagehalloffers.co.uk). Once a hall has registered, it is given a reference number that can be used by everyone in the village over a 'buying weekend slot', each hall will generate £1 per 1000 litres purchased and all orders will help drive down the price for everyone.

Simon Bland – has spent the last 20 years in rural community development, now MD of [www.transmedi.com](http://www.transmedi.com) an award winning travel site, and of [www.ruralclick.com](http://www.ruralclick.com), the fastest growing village hall portal. In a voluntary capacity he is Chair of Trustee's of [www.ruralnet.org.uk](http://www.ruralnet.org.uk), the largest UK rural development online Charity and a Governor of his local village school. He has lived in South Rauceby, Lincolnshire for the last 8 years. Contact [simon@ruralclick.com](mailto:simon@ruralclick.com).

Paul Ward – Managing Director – BoilerJuice, the UK's largest web-based oil company supplying millions of litres to thousands of customers every month. BoilerJuice is supported nationwide by 795 oil tankers from 124 depots. He lives in South Lincolnshire. [paul@boilerjuice.com](mailto:paul@boilerjuice.com)

**Simon Bland & Paul Ward**

There are almost 10,000 village halls in England, the increases in core costs over the last year, especially in halls heated by oil (and these by definition will be some of the most rural), have severely impacted on the ability of community buildings to remain sustainable, although they themselves offer a very local and sustainable support infrastructure to communities. In addition no independent office, ie OOil exists to monitor and regulate price increases.

## SKY BLUE HOLIDAYS

[www.skyblueholidays.co.uk](http://www.skyblueholidays.co.uk)  
01526 321709

# redwoodpropertystyling

.....your home is our business

Ruth Wood of Redwoodpropertystyling

**RUTH Wood has always had a passion for rearranging furniture and de-cluttering rooms and she has now launched her dream business as a property re-styler after training under Channel Five's House Doctor, Ann Maurice.**

Ruth followed the TV series and trained in London. She said: "It has been a life-changing experience." Redwood Property Styling offers a fairly unique service to the county in property presentation, de-cluttering and redesign for individual customers, show homes, estate agents and letting agents wishing to maximise profits.

Ruth said: "Primarily it is to prepare properties for a quicker sale at a better price. When you live in a house every day it is sometimes hard to see it with a fresh pair of eyes."

Properly prepared homes can sell for 10-15 per cent more than those with that lived-in look as it offers an inviting blank canvas to inspire the potential buyer. Ruth views houses through the buyers' eyes, spotting areas where they may try to knock money off the asking figure. The service need not be costly, instead tailoring to the individual's budget. It is often merely an editing

process to neutralise the space. There are three levels of service offered. Firstly, the initial client consultation to discuss their needs, followed by a tour to give Ruth's feedback and suggestions for improvement. The second level is an additional detailed written report. For the third level you can commission Ruth to carry out her recommendations, sourcing/buying items and materials as well as project managing any necessary contractors. Ruth can remove the headache of arranging furniture in your new home too.

You don't have to move to benefit from Redwood Property Styling. You may just want a critical, yet sensitive eye to re-think your living space. Ruth can style for special occasions such as birthday and wedding parties. In the States, home staging is viewed as a vital part of selling and buying a home.

Ruth adds: "As property is your main asset you want to get it right."

Ruth Wood of Redwood Property Styling will help maximise your home's potential. Reprinted courtesy of The Sleaford Standard

Services included are :

- re-styling and finishing touches
- furniture arrangement
- de-cluttering and storage solutions
- furnishing vacant properties
- sourcing and buying items/materials
- personal shopping assistance
- sourcing and managing contractors

You might well have noticed that the the Bustard Inn, one of our most important grade II landmarks has been under going a dramatic and extremely sympathetic renovation over the past six months. If you have not already visited the Inn then it is an absolute ‘must see’.

The Bustard Inn & Restaurant was originally built in 1860. Legend has it that the site of the Inn was where the last Bustard in England was shot and killed in 1845, hence the name. It was also the local for King Edward VIII, his brother George VI and Prince Charles when they were each stationed at RAF Cranwell.

Alan said that “ We used to come to the pub for Jazz on tuesday nights. The previous owners, Mike and Brenda Peterken had been here for 21 years. When we heard it was up for sale we just had to have it”. The popular Jazz night’s are to continue as just one of the attractions that the Inn has to offer.

The entire building has been gutted and virtually rebuilt, but all of the original architectural characteristics of the building have been carefully

restored and retained. It is a good deal more light and airy and has an ambience that many an Inn and Restaurant would be envious of.

The award winning Chef, Phil Lowe, learnt his art with celebrity chef Gary Rhodes and with his team provides an exquisite menu to suit every budget. Liz’s son, Stuart Galloway, the Bar and Restaurant manager, has had five years experience working in the hotel industry at the exclusive Skibo Castle in the Scottish Highlands. It is probably best known for hosting the wedding of the famed singer ‘Madonna’ .

Alan and Liz would like to welcome you all to come and experience the friendly and warm atmosphere that the new team at Bustard Inn and Restaurant provides.

The new Bustard Team. From left to right ; Liz Hewitt, Phil Lowe, Amy Bryan, Stuart Galloway, Alan Hewitt

**A Summer Supper**

by  
*Sheila White*

**Breast of Chicken in an Orange and Tarragon Sauce**

- 4 chicken breasts
- 1 good sized onion, chopped
- a third of a pint of orange juice - freshly squeezed
- 4 sprigs of fresh tarragon, chopped or a tablespoon of dried tarragon
- 1 chicken stock cube in 4 fl. oz. boiling water
- 6 oz carton of sour cream
- 1 oz butter (generous!)
- half an ounce cornflour (if you like a slightly thicker sauce)

I use a frying pan which will go in to the oven with its handle removed, but it is just as easy to transfer it to a casserole to put in the oven.

In a frying pan, melt the butter and oil, fry the onion for a couple of minutes, then add the chicken breasts and brown thoroughly on both sides. Stir in the orange juice, stock, and tarragon, and bring to the boil, stirring well. Cover with a lid(or transfer to a casserole dish with a lid) and cook in the oven at about 70 C for about an hour, or until the chicken is tender, stirring occasionally(this depends on the size of the chicken breasts). Remove the chicken

breasts on to a serving dish, then if you like a thicker sauce , mix the cornflour with 2 tablespoons of cold water, then add to the sauce, bring it back to the boil, and cook for a minute or two, stirring all the time. Cool slightly, add the sour cream, pour the sauce over the chicken and decorate with fresh tarragon and a couple of slices of orange, cut in half.

Quickly made lemon flan - but needs time to chill out!

- For the flan case
- 4 oz digestive biscuits, crushed
- 2 oz butter
- 1 level tablespoon sugar (castor or granulated)

Melt the butter in a pan, add the sugar, then the biscuit crumbs, and mix well. Tip the mixture into a 7 inch flan dish and press around the base and sides with the back of a wooden spoon. Bake in a cool oven about 50 C for 8- 10 Minutes. Remove from the oven and leave to cool while you make the filling.

**Filling**

- 6 oz can condensed milk
- Quarter of a pint double cream
- 2 large lemons - finely grated rind and juice.

Mix together the cream, condensed milk, finely grated lemon rind. Slowly beat in the lemon juice. Pour the mixture into the flan case and chill. Decorate with lemon slices.
